Join the Future Rutland Conversation

Hello

Hello to everyone living in Rutland

#future Rutland conversation

I'm writing to tell you about an important project called the Future Rutland Conversation

Life has been very hard and different for everyone in Rutland over the past year

Covid-19 has been worrying for us all and we have had to change the way we do things

We hope we are near the end of Covid-19 now and we want to plan for the future

Communicate

We would like to talk to you and find out what you like about living in Rutland. What do you hope will happen for you and your family in the future?

Over 8 weeks, starting on 1st April, we want to ask you questions about your life in Rutland

We will talk about things like health, transport, schools, work, and fun things to do

You can join in by filling in a survey or by joining in on the talks/meetings on a computer or tablet

Everyone's thoughts and ideas are important to us and will help us in our plans for the future

We all think Rutland is a special place to live and work. Help us to plan ahead to make it a great place for everyone!

Find out more and take part by going to:
www.rutland.gov.uk/FutureRutland.
If you want to take part but don't have a computer or tablet, please call us on 01572 722 577.
